## The text

My name is Linda and I am eleven years old. I live in London with my mum and my brother Tom. He is nine years old. We both go to high way primary school. When the weather is good, I prefer being outside. I often go to the park with my friends after school. We play basket ball or volley ball there.

We don't play matches. We just play for fun. At the weekends, I sometimes go cycling with my brother. I don't watch TV very much in the evenings. I usually read magazines and listen to music. My favourite singer is Robbie Williams. My mum always makes a delicious pizza for us but I like eating fish because it's healthy .
