Hi there ! It's been so long we haven't talked .I miss you so much . Now the school is over .So , I have much free time to do what I want . I want in this e-mail to tell you about a day at the beach in my town . I love going to the beach with my family and cousins .We have so much fun especially because I live in a big family . Every summer day we go to the beach .We take much food and drinks .We never forget the parasols to lie under when we want to relax or read a book . My cousin Harry has his bucket and spade with him because he adores building sandcastles . Mum and day put on sunscreen lotion before they go swimming in the clear blue sea water . We really enjoy our time together and we have much fun .What about you ? How do you spend your summer holiday? Would you like to come to my country ? I will be happy to meet you here .
