The text

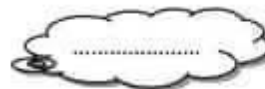

Hello ! I am Jack. I am eleven years old. I m from Britain but I live in France. I study at a private primary school. I am good at speaking French, Italian and of course English. In my free time I like doing a lot of activities. For example, when I wake up early in the morning I usually read some interesting books. Reading books is a good way to relieve stress and relax. I am also keen on fishing. I always go fishing with my father on the weekends. It makes feel happy and excited.
