Zara: Hello Oscar! How are you?

Oscar: Hi Zara! I'm good thank you. How about you?

Zara: I'm fine thanks. Where do you want to spend this weekend?

Oscar: No idea! I have lots of free time, but I haven't got a plan for this weekend. What do you want to do?

Zara: I want to go to the mountains.

Oscar: why do you want to go there?

Zara: Well! I'm going to tell you. My older sister and her two kids are visiting on Saturday morning to spend their free time with us and to go camping. How about camping with us?

Oscar: I would really like to go but I'm scared of sleeping outside in a tent.

Zara: Don't worry, it's safe! Also, there is a big national park where we can enjoy playing many games like flying a kite, swinging, skipping, biking and having picnics. At night, we enjoy singing and watching stars. It's really so interesting!

Oscar: Cool! I want to go camping too! I just have to ask my parents first.

Zara: I hope you can make it! This makes me cheerful.
