**I- Comprehension ( 6 marks )**

**The text**

Today is Saturday. My mother, my sister and I are waiting for my father to come back home from work to celebrate my sister's birthday. When he arrives, he tells us that he is going to take us on a picnic near a lake. Quickly, my mother goes to the kitchen, she prepares some sandwiches and puts a cake in a box. My sister and I squeeze oranges into fruit juice, wash the cups and put them all in the picnic basket. My father takes his fishing rod and his camera. Before getting in the car, I take my kite and my sister takes her teddy bear and skipping rope. When we arrive, my mother puts a nice carpet on the ground under a shadowy tree. My father goes fishing. My sister plays with her teddy bear and I choose to fly my kite near the lake. At midday, we all have lunch and celebrate my sister's birthday. In the evening, we enjoy the sunset then we clean up and go back home. What a marvellous day!

**1- Write TRUE or FALSE and correct the sentences. ( 2 marks )**

- a- The family is composed of five members. ....  
.....
