

Test (first term 6th grades national curriculum)

Dear Adam my new pen friend

My name is Selina Spencer. I am eleven years old. I live in Liverpool the birth place of Shakespeare in England. My father is David, and he is a very talented engineer who works at an oil and gaz company. My mother's name is Rita and she is a doctor in a clinic. I study at a private primary school. And I love all my friends , teachers and the working staff there. In my free time, I love doing a lot of different things. For example, when I wake-up in the morning, I enjoy playing video games on my father's mobile phone. I play Free-Fire and Pubg with different people from around the world. After lunch I am crazy about playing puzzles with my little sister Clara. She is a very brilliant and clever girl. She always wins the bet. In the afternoon, I sometimes read a short story and explore some interesting adventures. These are the things I love doing in my spare time, and I am impatiently looking forward to know yours. Write me back soon.

Your pen friend Selina

→ **READING COMPREHENSION** (..../6)

1) **what is the type of this text** : (..../0.5)
