Hi! My name is Andrew. It is winter now. It is my best season. Winter is a fun time for us. We have different indoor and outdoor activities to do. When it is snowy, my friends and I put on our hats, boots, gloves and coats then go out and make snowmen or throw snowballs at each other. I also love walking with my brother and sister under the rain. We love wet weather.

During winter holidays, we sometimes stay home to watch cartoons or play computer games together. We also spend some days with our grandparents, too. They tell us wonderful tales and show us how to take care of plants and flowers on their farm. They also help us fly our kites high in the sky.
